

NICHOLA

So yeah... so I didn't
show the kiss scene...

Wow! Is that a mermaid?

She is a mulgushon,
a water ghost

Pretending to be a
mermaid

Don't go swimming here.
She will drag you down
and DROWN you.

Oh, can she leave
the water?

Nope

I will pull you down to the
river depths!

You mean unless
I just step back...
